

Course: **Ge 101**
 Term: **Fall every year**
 Instructor: **Paul Asimow**
 Head TA:

This sheet outlines the default course policies for problem sets, quizzes, and tests. These may be overridden by instructions to the contrary in particular instances. However, in the absence of other information, you are expected to follow these policies. If you have any questions, ASK! Ignorance and confusion are not excuses.

PS | Quiz | Test

While working, you may consult:

Required texts	Yes	No	No
Recommended texts	Yes	No	No
Textbooks from prerequisite classes (i.e. Apostol for a DiffEq class)	Yes	No	No
Reference books (CRC, Merck Index, etc.)	Yes	No	No
Any other texts	Yes	No	No

Comments: **Same rules as PS apply to Labs**

You may use solution manuals for:

Required texts	Yes	No	No
Recommended texts	Yes	No	No
Texts from prerequisite classes	Yes	No	No
Any other texts	Yes	No	No

Comments:

You may use the Internet.	Yes	No	No
---------------------------	------------	-----------	-----------

Comments:

As for notes, you may use:

Your class notes (taken in lecture)	Yes	No	No
